Our Mission and Vision

Trusted. Innovative. Sustainable.

Mission

Yaptes is committed to upholding customer rights, prioritizing health, safety, and comfort, and fully complying with all legal and technical standards in the pool industry.

We act responsibly in all stages from design to maintenance, using certified products, protecting the environment.

Vision

To adopt technologies that improve efficiency and quality, focus on innovation and development, and position Yaptes among the world's leading pool solution providers.

Yaptes Office

Facilities–Operational Hub

Yaptes operates from a 360 m² loft headquarters in Kağıthane, Istanbul, housing sales, operations, administration, and technical teams. The space includes open-plan offices, meeting areas, and a dedicated installation and service zone for preparing, testing, and maintaining pool and wellness systems. With storage for spare parts and tools, the facility enables fast response to client needs and reflects Yaptes' dual strength as both a sales organization and a skilled service provider.
